🎨 About Me

Frontend developer skilled in React, Next.js, TypeScript, JavaScript, and Tailwind CSS — building responsive, accessible, and performance-driven web applications with a strong focus on clean code and great user experience. Open-minded and adaptable, I thrive under pressure, stay focused in demanding projects, and embrace continuous learning to keep improving my craft.

🚀 Recently featured on the Noroff website!

🛠 Skills

Languages s Frameworks	Tools s Design
JavaScript, TypeScript, React	Figma, Canva, Git, Jest
